COVID-19 Cases Update

St. Joseph County- As of today, the county's total number of confirmed cases is at 723. 55% of cases are female and 45% are male. Age breakdowns include: 19 and under (7%), 20-29 (15%), 30-39 (16%), 40-49 (18%), 50-59 (14%), 60-69 (14%), 70-79 (8%), and 80+ (8%). To date, 7,679 tests have been administered.

Beacon Health System will host a mobile testing site Monday, May 11 from 12 -3 p.m. at Vida Nueva Church of God (739 N. College St., South Bend). Individuals must be experiencing symptoms (fever, cough, or shortness of breath). Testing is available on a first come, first served basis.

The Indiana State Department of Health and Optum have a testing site located at 1901 S. Kemble Ave., South Bend, 46613, Monday through Friday from 7 a.m. to 7 p.m. Individuals who have symptoms and those who are at a higher risk of COVID-19 infection (over the age of 65, have a chronic health condition, a member of an at-risk minority group, or close contact with someone COVID-19 +) should register for a test even if they are not experiencing symptoms. To register for a test please visit <https://lhi.care/covidtesting> or call 888-634-1126. You must register before you show up.

The St. Joseph County Department of Health urges the continuation of the following actions:

- **Practice extreme physical distancing.**
 - Maintain at least 6ft between individuals.
 - Wearing a mask does NOT eliminate the need for physical distancing.
- **Practice frequent and proper hand hygiene & cough etiquette.**
 - Wash hands often, for at least 20 seconds, with soap & water; coughing and sneezing into your sleeve.
- **Stay home if ill.**
- **Abide by the current Public Health Order, requiring face coverings when going into an enclosed public space or business and when 6 feet of physical distance cannot be maintained within the enclosed public space or business.**

For more information on COVID-19, visit the Indiana State Department of Health at www.in.gov/isdh and the Centers for Disease Control and Prevention at www.cdc.gov. For general questions as it relates to COVID-19 infection, please call 2-1-1.
