St. Joseph County Department of Health Offers FREE At-Home Rapid COVID-19 Tests

Beginning today, Tuesday, May 24, 2022, the St. Joseph County Department of Health will offer FREE at-home rapid COVID-19 tests to any St. Joseph County resident. Individuals will be able to receive 1 test kit per household member while supplies last. Each test kit includes 2 tests.

Test kits will be available at several locations across the county. Please be aware that tests will be available during each facility's normal operating hours.

Locations currently offering free test kits:

- SJC Department of Health, County-City Building, 227 W. Jefferson Blvd., 8th Floor, South Bend
- SJC Department of Health, Mishawaka County Services Building, 219 Lincolnway West, 1st Floor (Vital Records), Mishawaka
- SJC Public Library, 304 S. Main St., South Bend
- La Casa de Amistad, 3423 S. Michigan St., South Bend

Additional locations will be added and can be found at the County's website, www.sjcindiana.com/health.

Late last week, the Centers for Disease Control & Prevention (CDC) approved a booster dose of Pfizer COVID-19 vaccine for children ages 5-11. Pfizer vaccine is available at the St. Joseph County Department of Health COVID-19 vaccine clinic (located on the 9th floor of the County-City Building) Tuesdays and Thursdays, 8:30-3:00 p.m. and Saturday's 8:30-11:00 a.m.

Please follow the St. Joseph County Department of Health's social media platforms (Facebook & twitter) for additional distribution locations and vaccine clinic updates.
