# ACHIEVING BIRTH EQUITY

Exploring your role in creating a community where all women and families can access respectful, quality maternity care.

## SAVE THE DATE

**April 14th, 2022**

**8:30 A.M. - 4:30 P.M.**

**Century Center**

**120 Doctor M.L.K. Jr Blvd, South Bend, IN**

**Special Guest: Keynote speaker  
Joia Crear Perry MD, FACOG,**

Founder and President of the National Birth Equity Collaborative, a physician, policy expert, thought leader, and advocate for transformational justice.

In St. Joseph County, Indiana and across the country, the infant mortality rate for Black infants is 2-3 times higher than the mortality rate for White infants. This disparity is unacceptable and we can change it.

When we do, birth outcomes will improve for all families.

Save the date to learn how you can help make your community a place where all women and families can access respectful, quality maternity care through action in policy, clinical care, and community engagement.

Registration available in 2022!
