COVID-19 Cases Update

St. Joseph County- As of today, St. Joseph County is reporting 599 active cases (red as it relates to school re-opening guidance), and our average is 33.3 cases per day (red) in the last seven days. The county's R0 estimate is 0.45 (green). Test positivity rate is 3.5% (as of 9/3/2020) (green).

University of Notre Dame case information is included and reflected in overall county-level data.

	New cases per day in SJC, based on a 7-day rolling average	Active cases in SJC (cases diagnosed in preceding 14-day period)	Percent positivity of tests in SJC (from ISDH website)	R0 Estimate (available at covid-19.scientifichpc.com)
Red	33.3	599		
Yellow				
Green			3.5% (as of 9/3/2020)	0.45

With the first University of Notre Dame home football game upon us, we want to remind residents to remain diligent with COVID-19 risk mitigation strategies. Even with limited seating at the stadium, no tailgating, etc., we are aware others will want to congregate elsewhere; attention to mask wearing, physical distancing, and hand hygiene is imperative.

For all COVID-19 testing sites in St. Joseph County, you can view an interactive map at <https://www.coronavirus.in.gov/2524.htm>. Please be aware each site may have different criteria for testing.

The St. Joseph County Department of Health urges the continuation of the following actions:

- **Practice extreme physical distancing.**
 - Maintain at least 6ft between individuals.

227 W. Jefferson Blvd. | 8th Fl. | South Bend, IN 46601
P: (574) 235-9750 | F: (574) 235-9960

- Wearing a mask does NOT eliminate the need for physical distancing.
- **Practice frequent and proper hand hygiene & cough etiquette.**
 - Wash hands often, for at least 20 seconds, with soap & water; coughing and sneezing into your sleeve.
- **Stay home if ill.**
- **Abide by the current Public Health Order, requiring face coverings when going into an enclosed public space or business and when 6 feet of physical distance cannot be maintained within the enclosed public space or business.**

For more information on COVID-19, visit the Indiana State Department of Health at www.in.gov/isdh and the Centers for Disease Control and Prevention at www.cdc.gov. For general questions as it relates to COVID-19 infection, please call 2-1-1.
