and disability for all St. Joseph County residents"*

CONSULTATION REQUEST For Septic Specifications

Disclaimer:

The specifications, recommendations, and opinions issued in response to this consultation request are based on limited information and investigation. They are intended as a guide to the requestor and shall not be construed to be definitive determinations. The Department of Health shall not be held responsible for any decisions based on this Consultation Request or for changes in our guidance based on a reevaluation of the information or on additional information or investigation.

If the requestor requires a more definitive determination they should contact a contractor/consultant or submit a full application for a septic permit and supply all of the required information.
