COVID-19 Booster Now Available for Ages 12-15

St. Joseph County Department of Health announced today that residents aged 12-15 can receive a booster dose of the Pfizer COVID vaccine at the St. Joseph County Department of Health COVID-19 vaccine clinic in the main lobby of the County-City Building (227 W. Jefferson Blvd., South Bend, IN 46601), following approval this week from the Food & Drug Administration (FDA) and the Centers for Disease Control & Prevention (CDC). Anyone age 12 and older who received their second dose of the Pfizer vaccine at least 5 months ago is now eligible for a booster dose.

Individuals wishing to initiate the COVID vaccine series or to receive a booster dose may schedule an appointment at www.ourshot.in.gov or walk-ins are available. The hours of operation for the St. Joseph County Department of Health COVID-19 vaccine clinic are Monday-Friday, 8:30 a.m. – 3:20 p.m. (walk-ins accepted until 3 p.m.) and Saturdays, 8:30-11:20 a.m. (walk-ins accepted until 11 a.m.).

The SJC Department of Health only offers the Pfizer COVID vaccine. The COVID-19 vaccine is safe, effective and free for anyone ages 5 and older.

For more information on COVID-19 and COVID-19 vaccine please visit the Indiana State Department of Health at www.coronavirus.in.gov or the Center for Disease Control & Prevention at www.cdc.gov.
