### **St. Joseph County Public Health Order 1-2020 Addendum #1**

May 4, 2020

Staff and children at childcare programs are encouraged to wear face coverings when feasible, according to CDC guidelines. Face coverings are not mandatory for staff and children at childcare programs. Cloth face coverings should not be placed on young children under age two (2) or on anyone with a medical contraindication to them. Face coverings are not mandatory if social distancing can be maintained.
