

Public Notice of Petroleum Release

Local health departments are required by statute (IC 13-23-16) to inform the public of the discovery of released regulated substances at an underground storage tank site or in the surrounding area under 329 IAC 9-4-1(1) or a spill or overfill under 329 IAC 9-4-4(a). The Indiana Department of Environmental Management (IDEM) was notified on February 2, 2022, of such an incident from the owner or operator of University Marathon South located at 111 East Ireland Road in South Bend. According to the initial release report, petroleum exceedances were detected in a sidewall sample collected during UST removal activities.
