## **MANDATORY STEPS FOR OBTAINING A SEPTIC PERMIT IN WASHINGTON COUNTY INDIANA**

- 1) Request and receive a Driveway Permit, from the **Washington County Highway Department, located at 600 Anson St, Salem, IN 47167, 812-883-3538**, prior to obtaining a Septic Permit.
- 2) Property owner or agent must fill out an application for the Septic Permit and pay the **Septic Permit Fee of \$100.00**, before the permit may be issued. Please also provide a legal description of the real estate and a **COPY OF THE CURRENT RECORDED DEED OF RECORD AS FILED WITH THE WASHINGTON COUNTY RECORDER'S OFFICE, AS PROOF OF OWNERSHIP.** (Must contain parcel number and address if it has been issued one). A copy of the issued Septic Permit will automatically be sent over to the Washington County Building Department for your convenience.
- 3) Must have a **Certified Soil Scientist** perform a soil test. (List attached)
- 4) Choose **Septic Installer**. The **Septic Installer must contact WCHD Environmentalist** and complete a plan review prior to issuing the septic system construction permit. Washington County's plan review form or a septic component manufacturer's form that provides similar clarity and detail must be used for submittal.
- 5) Stake out location of septic system with flags to prevent heavy equipment from driving over site while house is under construction.
- 6) Obtain your building permit by taking your Septic Permit, and proper documentation of land ownership, to the **Washington County Building Department, located at 601 Anson St, Salem, IN 47167, 812-883-0139.**
- 7) Obtain your 911 address from **Washington County Addressing, 601 Anson St, Salem, IN 47167, 812-883-4962.**
