Medicaid Family Member or Associate Transportation Services Form

Version 1.0, August 2018

Medicaid members who have a family member or a close associate that can drive them to medical appointments may request that the driver be enrolled with Indiana Medicaid, so that the driver's mileage can be reimbursed. Trips and reimbursement must be arranged through the Medicaid member's transportation broker.

The Medicaid member must complete and sign this form to verify:

- That frequent trips for medical services are necessary and cause an undue financial burden
 - The Medicaid member being transported; a separate form is required for each Medicaid member affected
 - The family member or associate who will be enrolling as the Medicaid member's driver; a separate form and enrollment is required for each driver requesting reimbursement
1. The identified driver must enroll as an Indiana Medicaid transportation provider. The driver's application must include:
 - A completed [IHCP Family Member or Associate Transportation Provider Enrollment and Profile Maintenance Packet](#)
 - A copy of this *Medicaid Family Member or Associate Transportation Services Form* – completed and signed
 - A copy of the driver's current driver's license
 - A copy of the driver's current auto insurance
 - A copy of the driver's current auto registration
 2. The driver's application documents must be mailed to:
