INDIANA HEALTH COVERAGE PROGRAMS BT2023150 NOVEMBER 2, 2023

IHCP to revise rates for select DME and medical supply items based on 2024 Medicare rates

To comply with *Section 1903(j)(27) of the Social Security Act* (also known as the *21st Century Cures Act*), the Indiana Health Coverage Programs (IHCP) will update the rates for select durable medical equipment (DME) and medical supply Healthcare Common Procedure Coding System (HCPCS) codes.

The list of HCPCS codes subject to the *21st Century Cures Act* for calendar year 2024 will be released by the Centers for Medicare & Medicaid Services (CMS) in January 2024. The list of impacted codes, as well as their updated rates, will be published after changes have been completed.

To determine the Medicaid allowed amount for covered DME and medical supplies that are subject to the *21st Century Cures Act*, the IHCP will use the lowest non-zero 2024 Indiana Medicare Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) Fee Schedule amount as the Medicaid allowed amount for dates of service (DOS) on or after Jan. 1, 2024. The 2024 DMEPOS Fee Schedule will be available on the [CMS website](https://www.cms.gov) at [cms.gov](https://www.cms.gov).

Reimbursement and billing information applies to services delivered under the fee-for-service (FFS) delivery system. Individual managed care entities (MCEs) establish and publish reimbursement and billing criteria within the managed care delivery system. Questions about managed care, reimbursement or billing should be directed to the MCE with which the member is enrolled.
