INDIANA HEALTH COVERAGE PROGRAMS BT2023170 DECEMBER 5, 2023

IHCP removes coverage for Janssen dental COVID-19 codes

On May 22, 2023, the U.S. Food and Drug Administration (FDA) revoked the emergency use authorizations (EUAs) for the Janssen coronavirus disease 2019 (COVID-19) vaccine codes (see [FDA revocation](#)).

Effective immediately, for dates of service (DOS) on or after **May 22, 2023**, the Indiana Health Coverage Programs (IHCP) will not reimburse dental providers for the Janssen COVID-19 vaccine administration codes listed in Table 1.

The claim-processing system has been updated, and claims will be mass adjusted or reprocessed. Providers should see adjusted or reprocessed claims on remittance advices (RAs) beginning Jan. 10, 2024, with internal control numbers (ICNs)/Claim IDs that begin with 80 (reprocessed denied claims) or 52 (mass replacements non-check related).

This update will be reflected in the next regular update to the Professional Fee Schedule, accessible from the [IHCP Fee Schedules](#) page at [in.gov/medicaid/providers](#).

Updates will also be made to *Dental Services Codes*, accessible from the [Code Sets](#) page at [in.gov/medicaid/providers](#).

Table 1 – Janssen COVID-19 dental codes no longer reimbursable

Procedure code	Description
D1707	Janssen COVID-19 vaccine administration
D1712	Janssen COVID-19 vaccine administration - booster dose
