INDIANA HEALTH COVERAGE PROGRAMS BT202384 JULY 27, 2023

IHCP will mass adjust claims for MFP-CIH code with corrected rate

The Indiana Health Coverage Programs (IHCP) identified a claim-processing issue that affects certain claims for the procedure-code-and-modifier combination listed in Table 1, when the service is provided through the Money Follows the Person – Community Integration and Habilitation (MFP-CIH) benefit plan.

Professional fee-for-service (FFS) claims for the service in Table 1, submitted before **June 8, 2023**, with dates of service (DOS) on or after **July 1, 2021**, may have been reimbursed at an incorrect rate.

Table 1 – MFP-CIH service code with corrected reimbursement rate, effective for DOS on or after July 1, 2021

Procedure code and modifiers	Service description	Corrected reimbursement rate	Unit limit
T2016 U7 U5 UB UQ	Residential Habilitation Services (RHS) Daily Level 8 (4-Person Setting, Algo Level 4)	\$235.38	1 unit/day

The claim-processing system has been corrected, and the affected claims will be mass adjusted. Providers should see adjusted claims on Remittance Advices (RAs) beginning Aug. 30, 2023, with internal control numbers (ICNs)/Claim IDs that begin with 52 (mass replacements non-check related).
