INDIANA HEALTH COVERAGE PROGRAMS    BT2024139    SEPTEMBER 5, 2024

## 2024 IHCP Works annual seminar scheduled for Oct. 8-10 in the Indianapolis area

The Indiana Family and Social Services Administration (FSSA) and Gainwell Technologies invite Indiana Health Coverage Programs (IHCP) providers to attend the 2024 IHCP Works annual provider seminar. The in-person seminar begins Tuesday, Oct. 8, and continues through Thursday, Oct. 10. There is no cost for the seminar.

The seminar features three full days of valuable information. Topics include program overviews and specific program billing guidelines, as well as other important IHCP information. Sessions will be led by the FSSA/OMPP, Anthem, CareSource, Humana, Managed Health Services (MHS), MDwise, UnitedHealthcare, Acentra Health and Gainwell Technologies. For information about the full seminar lineup and to pick “cannot-miss” sessions, see the attached [Session Descriptions and Schedule](#).

### Seminar registration

Providers are requested to register for the seminar online at the [2024 IHCP Works Annual Seminar events website](#), powered by Results@Hand. Providers now have the option to request any Americans with Disabilities Act (ADA) accommodations they need to fully experience the seminar. When providers register for the IHCP Works annual provider seminar, they receive a registration confirmation immediately to the registered email address.

Registered attendees are encouraged to use the R@H ConferenceBeat Event app, which can be downloaded on the App Store or via Google Play, to view or update their schedule of sessions, access a hotel and conference center map, and more. This information can also be accessed from a web-based browser, by logging in to the [2024 IHCP Works Annual Seminar app website](#), powered by Results@Hand.

Providers that previously registered for the 2023 IHCP Works annual seminar or one of the 2024 IHCP Roadshows are already registered and can log in to their existing profile on the ConferenceBeat app or the [2024 IHCP Works Annual Seminar app website](#). The profile can be updated with any changes to the provider’s demographic information. Changes to session selections can be made at any time. This year, providers are asked to check in to each session they attend.

Session descriptions and the daily schedule are attached to this bulletin for reference. A link to this information is also available on the [2024 IHCP Works](#) page at [in.gov/medicaid/providers](https://in.gov/medicaid/providers). All registration is on a first-come, first-served basis, so sign up early.

Beginning Oct. 1, presentations for all sessions will be accessible via the [2024 IHCP Works](#) page at [in.gov/medicaid/providers](http://in.gov/medicaid/providers). The presentations will also be accessible through the ConferenceBeat app and [2024 IHCP Works Annual Seminar app website](#). Providers are advised to print paper copies of each presentation for reference, if desired. Paper copies of the presentations will not be provided at the seminar.

Walk-in registrations will be allowed; however, it is not recommended, as space is limited. The most popular sessions reach capacity well before the start of the seminar. Walk-in registrants will be allowed to attend sessions only if space is available.

Business casual attire is recommended for comfort. Consider layering to accommodate variations in room temperature. Beverage service will not be available; however, a restaurant, early morning coffee bar and snack shop are available at the facility where drinks, snacks and lunch can be purchased. Drinks other than water are not permitted in the conference meeting rooms. Outside food is also not permitted in the conference meeting rooms.

---

***Reminder to providers: Please do not bring protected health information (PHI) to the seminar.***

## Session Descriptions and Schedule

### Session Descriptions

The presentations for all sessions will be available on the [2024 IHCP Works](https://in.gov/medicaid/providers) page at in.gov/medicaid/providers beginning Oct. 1, 2024. Providers are advised to print paper copies of the presentations for reference, if desired. Copies will not be provided at the seminar.

Session Name and Presenter	Description
<b>Acentra Prior Authorization (Presented by Acentra Health)</b>	This session is a screen share of the prior authorization submission process from a provider's perspective. The presentation outlines required fields, how to search diagnosis (Dx) codes and Current Procedural Terminology (CPT® <sup>1</sup> ) codes, how to add documents, and communications.
<b>Prior Authorization: What Comes After Submission? (Presented by Acentra Health)</b>	This session walks through what a provider can expect after prior authorization submission. This presentation outlines the process for reviews, turnaround time, contact information, possible denial reasons, pending cases for information, retro reasons, steps after denials and other special situations with prior authorization review.
<b>Anthem Blue Cross and Blue Shield Behavioral Health Updates (Presented by Anthem)</b>	Behavioral health partners, this one is for you. Whether you are new to the Anthem network or have been part of it for a long time, come join Anthem behavioral health subject matter experts as we go over the benefits, coordination of care, access to services and strategies for missed appointments. We are going to talk about additional training resources for you, the Interactive Care Reviewer, Patient 360 and much more.
<b>Claims Update and Dispute Process (Presented by Anthem)</b>	Anthem is using this opportunity to educate and update our provider partners on the claim process from start to finish. This includes eligibility verification through the resolution process. We will also highlight one of our top denials and how to avoid it.
<b>Utilization Management Discussion (Presented by Anthem)</b>	Join Anthem's Utilization Management leadership in a discussion on the process of obtaining a prior authorization. We will touch on the Indiana PathWays for Aging (PathWays), what our standard turnaround times are, and what you may see in the event of a case denial. We are also going to take you on a quick tour of the Prior Authorization Lookup Tool (PLUTO).
<b>Digital Tools (Presented by Anthem)</b>	Anthem is excited to announce new digital tools that will allow providers to update their demographics including our new Roster Automation tool. Not only will we educate on what these tools are and how important it is to use these tools, we will give a high-level overview of how to use the Roster Automation tool.
<b>Indiana PathWays for Aging Provider Onboarding and Orientation (Presented by Anthem)</b>	If you are a new provider partner to Anthem for the Indiana PathWays for Aging (PathWays), or you are already in network and want a refresher, join our PathWays Network Relations team for an onboarding and orientation session. We will provide an overview of the program as well as several other topics and resources.
<b>LGBTQ+ Considerations for Providers (Presented by Anthem)</b>	Anthem has partnered with Indiana Youth Group (IYG) to provide a tailored discussion about LGBTQ+ patients. IYG serves young people between the ages of 12-24 who self-identify as LGBTQ+ and their ally peers. This discussion will enable participants to identify and define terminology, explain the difference between gender and sex, demonstrate the understanding of the intersectionality that is experienced by the LGBTQ+ community, and finally identify any barriers to seeking medical care for LGBTQ+ people.
<b>Home Health Updates and Overview (Presented by Anthem)</b>	Home health providers, join Anthem in this session. We will provide some updates for you including breaking down the covered and non-covered benefits. We'll let you know who to contact for contracting questions or if you want to join our networks. We'll talk about the prior authorization (PA) process as well as electronic visit verification (EVV). We'll update you on some billing guidelines, reimbursement and the claim process.

<b>Session Name and Presenter</b>	<b>Description</b>
<b>Care Central Application (Presented by Anthem)</b>	Care Central is an application within Availity Essentials that is tailored to Anthem's Indiana PathWays for Aging (PathWays) providers. If you are one of our PathWays partners, this session will cover Availity Essentials, basic navigation, tips and timesavers using this application. These are proprietary features that are critical to your operations.
<b>Behavioral Health (Presented by CareSource)</b>	This presentation will guide and educate behavioral health providers on CareSource's policies and procedures, covering aspects from provider enrollment, claim processing, prior authorization, provider portal and important resources.
<b>Claims: Facility and Professional (Presented by CareSource)</b>	In this presentation, topics covered will include CareSource's policies and procedures for facility and professional claim submission, claim status, the IHCP Provider Healthcare Portal, and important resources.
<b>Prior Authorization (Presented by CareSource)</b>	This presentation will discuss what services require prior authorization (PA), how to submit a PA request to CareSource and important resources for healthcare providers.
<b>Provider Enrollment (Presented by CareSource)</b>	This is an overview on contracting with CareSource, provider maintenance, credentialing and important resources.
<b>Human Trafficking (Presented by CareSource)</b>	CareSource will educate providers on what human trafficking is, our process and how a Medicaid health plan plays a role, specifically how CareSource and our health partners can help our members. This presentation is geared for all provider types.
<b>Quality (Presented by CareSource)</b>	This presentation will share information on CareSource Quality Improvement and Management Programs. Topics will include our Quality of Care (QOC) process as well as the available performance outcomes and member experience.
<b>Dental 101 (Presented by CareSource)</b>	CareSource will guide and educate dental providers on new oral health initiatives and strategies, provider contracting and enrollment, claim processing, prior authorization, provider portal and important resources.
<b>Fee-for-Service Behavioral Health (Presented by Gainwell)</b>	Overview of behavioral health services and requirements, including applied behavioral analysis (ABA), intensive outpatient treatment (IOT), opioid treatment programs (OTP), psychiatric therapy, Medicaid Rehabilitation Option (MRO), Child Mental Health Wraparound (CMHW), substance use disorder (SUD), Mobile Crisis Unit and helpful tools.
<b>Submit CMS-1500 Primary and Secondary Claims via the IHCP Provider Healthcare Portal (Presented by Gainwell)</b>	Education on submitting <i>CMS-1500</i> primary and secondary claims via the IHCP Provider Healthcare Portal, including claim submission tips, reminders, follow-up and checking claim status. The session also presents how to review claim denials and make corrections, as well as updating third-party liability (TPL) on the IHCP Provider Healthcare Portal and other helpful tools.
<b>Fee-for-Service Home and Community Based Waiver Services (Presented by Gainwell)</b>	This session provides a breakdown of the waiver programs, guidelines and billing. Helpful tools and resources to guide providers through claim submission on the IHCP Provider Healthcare Portal are included.
<b>Getting to Know Your Fee for Service Remittance Advice (Presented by Gainwell)</b>	This session provides information on retrieving the remittance advice (RA) and understanding the format. Gainwell will also review claim adjustments and how they reflect on accounts receivable, how to compare the claims on both the RA and the IHCP Portal, and provide resources and helpful tools.
<b>IHCP Resources and Website Navigation (Presented by Gainwell)</b>	Gainwell will provide education and self-help to navigate the IHCP website and the resources available to our provider community.
<b>Secure Correspondence IHCP Provider Healthcare Portal (Presented by Gainwell)</b>	During this session, Gainwell will discuss what written and secure correspondence can be used for, how to use it, and best practices to get the most useful information and best outcome for your inquiries.
<b>Behavioral Health – Humana Healthy Horizons (Presented by Humana)</b>	This session provides an introduction to Humana's behavioral health team, walkthrough of behavioral health guidelines, and how Humana can support our behavioral health network.
<b>Claims Overview – Humana Healthy Horizons (Presented by Humana)</b>	This session provides an overview of Humana's claims research team, PathWays claim specifics, the use of Availity and the dispute process.

<b>Session Name and Presenter</b>	<b>Description</b>
<b>Provider Authorizations – What to Know (Presented by Humana)</b>	Humana provides a complete walkthrough of the prior authorization process regarding how our care/service coordinators are involved, how to request authorization through our intake team, our new prior authorization digital tool, and a breakdown specifically for home health and hospice services.
<b>How to Enroll with Humana Healthy Horizons (Presented by Humana)</b>	This session provides a comprehensive summary of the Indiana PathWays for Aging (PathWays) enrollment process, including a demonstration on how a provider can initiate the enrollment process, all required documentation needed, and how our contracting team is involved after a request is received.
<b>Indiana PathWays for Aging Waiver Overview (Presented by Humana)</b>	Humana will be providing a complete overview for waiver providers and how we are supporting this provider network, including an introduction to our Home- and Community-Based Services (HCBS) Provider Engagement team, available resources, and need-to-know waiver specifics since Indiana PathWays for Aging went live.
<b>Person-Centered Care (Presented by Humana)</b>	This session presents an in-depth review into Humana's assistance to develop a comprehensive individual care/service plan. This includes "what matters, why it matters," a breakdown of how our coordinators are involved, and Humana will highlight transitions of care to ensure we adapt as a member's needs change.
<b>Better Together – Care Management and Resources (Presented by Humana)</b>	This session reviews how Humana's efforts work to improve the health of our members. This includes success stories from our care/service coordinators, a walkthrough on how the HealthEdge portal can simplify the provider's patient care experience, and the use of PathWays vendors to maximize available services.
<b>Behavioral Health with MDwise (Presented by MDwise)</b>	This presentation provides a walkthrough of behavioral health guidelines and how MDwise can assist our behavioral health network providers.
<b>Claims From A to UB (Presented by MDwise)</b>	MDwise talks through claim billing for both facility and professional services; how and where to submit claims; processes for disputing; and ways to avoid common barriers that may delay claim payment.
<b>A Deep Dive into Prior Authorizations with MDwise (Presented by MDwise)</b>	MDwise walks through our prior authorization (PA) processes and procedures, a review of the types of PA requests, and a step-by-step guide to using our PA Portal.
<b>Navigating Provider Enrollment Landscape: Strategies for Successful Enrollment (Presented by MDwise)</b>	MDwise introduces you to our online provider enrollment tool, MProvider Connect, and shows you how to use it, and the benefits of using it. We also provide tools on how to avoid delays in getting your providers successfully enrolled with us.
<b>Maximizing Efficiency: Navigating Provider Inquiries through our Customer Service Unit (Presented by MDwise)</b>	MDwise provides an overview of our Provider Customer Service Unit (PCSU) and how our team can assist you.
