IHCP clarifies HIP Rate Equalization Project

The Indiana Health Coverage Programs (IHCP) announced the final details of the Healthy Indiana Plan (HIP) Rate Equalization Project in *IHCP Bulletin* [BT2023149](#). The following language was previously included:

“The IHCP Professional Fee Schedule will be aligned with 100% of Medicare rates. Rates for Hoosier Healthwise, Hoosier Care Connect and fee-for-service (FFS) programs are all being increased to 100% of Medicare rates to align with HIP rates. **The HIP rates for 2024 will remain the same as the rates paid in 2023.**”

The IHCP is clarifying that the bolded language applies only to professional services with a Medicare rate. Services without a Medicare rate, such as dental, have been set to pay according to the 2024 rate established within the IHCP Professional Fee Schedule, accessible from the [IHCP Fee Schedules](#) page at in.gov/medicaid/providers.
