INDIANA HEALTH COVERAGE PROGRAMS    BT202491    JUNE 20, 2024

---

## Anesthesia claim payments to be mass adjusted

The Indiana Health Coverage Programs (IHCP) has identified an issue that affected fee-for-service (FFS) anesthesia claim reimbursement for January 2024 dates of service that adjudicated from Jan. 1, 2024, through Jan. 13, 2024.

Claims that adjudicated during the above-referenced time period paid the 2023 anesthesia conversion factor of \$16.26 instead of the 2024 conversion factor of \$20.13.

The claim-processing system has been corrected, and claims will be mass adjusted. Providers should see adjusted/reprocessed claims on remittance advices (RAs) beginning July 24, 2024, with internal control numbers (ICNs)/Claim IDs that begin with 52 (mass replacements non-check-related).
