INDIANA HEALTH COVERAGE PROGRAMS BT2025118 AUGUST 14, 2025

IHCP corrects error for procedure codes G2082 and G2083

The Indiana Health Coverage Programs (IHCP) discovered an error for Healthcare Common Procedure Coding System (HCPCS) procedure codes G2082 and G2083 that may have caused claims to deny in error for explanation of benefits (EOB) code 4019 – *Attachment required for services rendered*.

Procedure codes G2082 and G2083 are esketamine (Spravato) administration observation codes. For more information on coverage and prior authorization (PA) criteria, see *IHCP Banner Page* [BR202320](#) and *IHCP Bulletin* [BT2024144](#).

An update was made to the Professional Fee Schedule, accessible from the [IHCP Fee Schedules](#) webpage at in.gov/medicaid/providers.

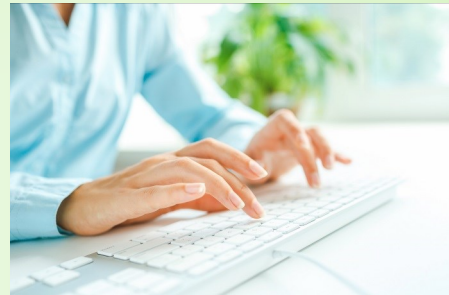

The claim-processing system has been corrected. Claims submitted for procedure codes G2082 and G2083 with dates of service (DOS) on or after **Oct. 17, 2024**, that denied in error will be reprocessed. Providers should see adjusted or reprocessed claims on remittance advices (RAs) beginning Sept. 17, 2025, with internal control numbers (ICNs)/Claim IDs that begin with 52 (mass replacements non-check related) or 80 (reprocessed denied claims).

Alternatively, providers can submit or resubmit fee-for-service (FFS) claims for this procedure code for DOS within the indicated time frame. Claims resubmitted beyond the original filing limit must include a copy of this bulletin as an attachment and must be submitted within 180 days of the bulletin's publication date.

For more information

Questions about FFS billing and reimbursement should be directed to Gainwell Technologies Customer Assistance at 800-457-4584 or your [Provider Relations consultant](#).

Individual managed care entities (MCEs) establish and publish billing and reimbursement criteria within the managed care delivery system. Questions about managed care billing should be directed to the MCE with which the member is enrolled.
