INDIANA HEALTH COVERAGE PROGRAMS BT202546 APRIL 1, 2025

Coverage and billing information for the April 2025 quarterly HCPCS codes update

The Indiana Health Coverage Programs (IHCP) has reviewed the April 2025 quarterly Healthcare Common Procedure Coding System (HCPCS) update to determine coverage and billing guidelines. The IHCP coverage and billing information provided in this bulletin is effective for dates of service (DOS) on or after April 1, 2025.

The IHCP is awaiting the final posting of the Centers for Medicare & Medicaid Services (CMS) fee schedules affecting pricing of the procedure codes. The IHCP will issue a publication detailing the coverage and pricing information after the final review is completed.

The bulletin serves as a notice of the following information:

- [Table 1](#): New Current Procedural Terminology (CPT^{®1}) and other procedure codes included in the April 2025 quarterly HCPCS update
- [Table 2](#): New skin-substitute procedure codes reimbursed at a flat, statewide, per-unit rate
- [Table 3](#): Available prior authorization (PA) criteria for the new procedure codes that require PA
- [Table 4](#): New procedure codes carved out of managed care
- [Table 5](#): New procedure codes reimbursable outside the inpatient diagnosis-related group (DRG)
- [Table 6](#): New procedure code included in the renal dialysis composite rate
- [Table 7](#): New durable medical equipment (DME) and supply codes included in the long-term care (LTC) facility per diem rate
- [Table 8](#): Procedure codes that were discontinued in the April 2025 quarterly HCPCS update, along with alternate code considerations

Inclusion of an alternate code on this table does not indicate IHCP coverage of the alternate code. Consult the Professional Fee Schedule, accessible from the [IHCP Fee Schedules](#) webpage at in.gov/medicaid/providers, for coverage information. Codes that were discontinued effective March 31, 2025, for which no alternative codes were identified, are not listed but are available for reference or download from the [Centers for Medicare & Medicaid Services \(CMS\) website](#) at cms.gov.

The procedure codes from this April 2025 quarterly HCPCS update will be added to the claim-processing system. For more information about the April 2025 quarterly HCPCS update, see the [HCPCS Quarterly Update](#) webpage of the CMS website at cms.gov.
