IHCP clarifies laboratory services reimbursement

As announced by the Indiana Health Coverage Programs (IHCP) in *IHCP Bulletin* [BT2023149](#), reimbursement for all physician services, which include laboratory services, began reimbursing at 100% of the prior year's Medicare rates, effective Jan. 1, 2024. The rate type listed on the Professional Fee Schedule was labeled Lab 60 Percent and did not get changed during the January 2024 Office of Medicaid Policy and Planning (OMPP) Healthy Indiana Plan (HIP) Rate Equalization Project.

Any managed care claims that recouped for laboratory services back to Jan. 1, 2024, to pay at 60%, will need to be reprocessed by the member's managed care organization (MCO) to pay at 100% of the fee schedule, effective immediately. This does not affect any fee-for-service (FFS) claims, as they were paying accurately.

The IHCP has changed the rate type name from **Lab 60 Percent** to **Lab** in the Professional Fee Schedule. You can see this change in the Professional Fee Schedule, accessible from the [IHCP Fee Schedules](#) webpage at in.gov/medicaid/providers.
