INDIANA HEALTH COVERAGE PROGRAMS

BT2026163

SEPTEMBER 29, 2026

Coverage and billing information for the October 2026 quarterly HCPCS code update

The Indiana Health Coverage Programs (IHCP) has reviewed the October 2026 quarterly Healthcare Common Procedure Coding System (HCPCS) update to determine coverage and billing guidelines.

The IHCP coverage and billing information provided in this bulletin is effective for dates of service (DOS) on or after Oct. 1, 2026.

The IHCP is awaiting the final posting of the Centers for Medicare & Medicaid Services (CMS) fee schedules affecting pricing of the HCPCS procedure codes. After the final review is completed, the IHCP will issue a publication announcing that the pricing has been implemented and detailing additional coverage and billing information – such as National Drug Code (NDC) requirements and applicable prior authorization (PA) criteria – for the codes listed in this bulletin.

This bulletin serves as a notice of the following information:

- [Table 1](#): New Current Procedural Terminology (CPT®¹) and other HCPCS procedure codes included in the October 2026 quarterly HCPCS update

The procedure codes from the October 2026 quarterly HCPCS update will be added to the claim-processing system. Providers are encouraged to wait until it is announced that pricing has been implemented for these codes before submitting claims. Claims submitted before pricing is entered into the claim-processing system may initially be denied and will need to be reprocessed after pricing is added.

After pricing has been established, the reimbursement amounts will be posted on the Professional Fee Schedule and Outpatient Fee Schedule, accessible from the [IHCP Fee Schedules](#) webpage at in.gov/medicaid/providers. Any applicable code table updates will also be made at that time.

The standard global billing procedures and edits apply to the new codes unless special billing guidance is otherwise noted. PA, billing and reimbursement information applies to services delivered under the fee-for-service (FFS) delivery system. For more information about the October 2026 quarterly HCPCS update, see the [HCPCS Quarterly Update](#) webpage on the CMS website at cms.gov.

Questions about FFS PA should be directed to Acentra Health Customer Service at 866-725-9991. Questions about FFS billing and reimbursement should be directed to Gainwell Technologies Customer Assistance at 800-457-4584 or your [Provider Relations consultant](#).

Within the managed care delivery system, individual managed care organizations (MCOs) establish and publish their own PA, billing and reimbursement information. Questions about managed care PA, billing and reimbursement should be directed to the MCO with which the member is enrolled.
