Claims are incorrectly denying for explanation of benefits (EOB) code 2505 – *This member is covered by private insurance which must be billed prior to Medicaid*. The denials are due to the following circumstances:

- A claim attachment or note is submitted, but no third-party liability (TPL) payment information is submitted on the claim.
- Member TPL coverage type is inconsistent with the services billed.

Claims are incorrectly denying for EOB code 0593 – *At least one detail submitted contains Medicare COB data resulting in a review of all detail COB data. Please review to ensure COB data for detail in question does not contain all zeros or is missing*.

The issues are actively being worked, and the IHCP will provide continuing updates as system changes are completed. Providers do not need to resubmit claims.

Additional publications will be forthcoming, pending any additional issues identified.
