Note: The Division of Aging Home- and Community-Based Services Waivers provider reference module has been retired. The Aged and Disabled (A&D) Waiver and the Traumatic Brain Injury (TBI) Waiver are no longer administered by the Indiana Division of Aging.

Effective July 1, 2024, the A&D Waiver was split into two separate waivers:

- Health and Wellness (H&W) Waiver
- Indiana Pathways for Aging (Pathways) Waiver

The H&W Waiver and the TBI Waiver were placed under the administration of the Division of Disability and Rehabilitative Services (DDRS). For information on those waivers, see the Division of Disability and Rehabilitative Services Home- and Community-Based Services Waivers module.

The Pathways Waiver is administered by the Office of Medicaid Policy and Planning (OMPP). For information about that waiver, see the Office of Medicaid Policy and Planning Home- and Community-Based Services Waiver: Indiana Pathways for Aging module.
