 Re: **HOME Supplemental Funding Round**

Notice: **RED-18-03**

**HOME Supplemental Round**

IHCDA will be offering an additional competitive HOME Investment Partnership Program round. Only rental projects are eligible under this supplemental round. IHCDA will accept applications of up to \$1 million. The subsidy limitations, threshold requirements, and scoring categories in the 2017 HOME policy apply. Waivers will not be accepted with this round.

IHCDA will host an additional webinar to answer questions prior to the application submittal deadline. The date for this webinar is to be determined and will be announced via RED Notice.

Due to changes in the application timelines of other IHCDA programs, the upcoming HOME Supplemental Round will be the only HOME Rental Round in 2018.

More information about the HOME Homeownership Rolling Round will be released in a future RED Notice.

Tentative dates for the supplemental HOME round are below. Please note that these are subject to change.
