Re: HOME Supplemental Funding Round Webinars & Updated Application Form

IHCDA is hosting three webinars to discuss commonly asked questions, provide Technical Assistance, and answer additional questions for those organizations interested in applying in the HOME Supplemental Round. Dates for the HOME Supplemental Round can be found in RED Notice 18-03, located [here](#).

The HOME Policy Webinar will focus on IHCDA and federal requirements, CHDO regulations, and any changes made to the HOME policy for this round. The first HOME policy webinar will be held on Wednesday, March 7th, at 10:00am EST. For those unable to attend the first session, a second session will be held on Wednesday, March 21st, at 1:00pm EST.

The HOME Application Webinar will focus on providing guidance for the IHCDA application process. Assistance in creating application documentation, including maps and site photos, as well as a summary of the threshold and scoring categories partners most frequently encounter problems with will be provided. The HOME Application Webinar will be held on Wednesday, March 14th, at 10:00am EST.

Additionally, an updated version of the HOME Supplemental Round Application Form has been uploaded to the [IHCD HOME program website](#). The only change to the form is the addition of a separate line item for yearly management fees in the 15 year pro forma. Please ensure you are using the most recent application form available.

Please contact your [regional analyst](#) or Chris Nevels, HOME & CDBG Manager at cnevels@ihcda.in.gov with questions or for more information.
