

Notice is hereby given that the Indiana Office of Community & Rural Affairs (OCRA) plans to file an Action Plan for the Recovery Housing Program with the U.S. Department of Housing & Urban Development (HUD) on June 30, 2021.

This document concerns programs that are funded through the U.S. Department of Housing & Urban Development under the pilot Recovery Housing Program (RHP), authorized under Section 8071 of the Support for Patients and Communities (SUPPORT) Act. The RHP allows pilot states and the District of Columbia to provide stable, transitional housing for individuals in recovery from a substance-use disorder. The funding covers a period of not more than two years or until the individual secures permanent housing, whichever is earlier.

The RHP Action Plan provides information on the housing priorities and one year spending plan for the RHP and includes the state's plan for how to distribute RHP funds giving priority to entities with the greatest need and ability to deliver effective assistance in a timely manner.

The Office of Community & Rural Affairs will have the RHP Action Plan available for public inspection prior to its submission. Members of the public are invited to review the RHP Action Plan during the hours of 8:30 a.m. to 5:00 p.m. ET, May 10, 2021 through June 8, 2021, at the Indiana Office of Community & Rural Affairs, One North Capitol, Suite 600, Indianapolis, Indiana 46204.
