

Notice is hereby given that the Indiana Office of Community & Rural Affairs and the Indiana Housing and Community Development Authority plans to file their 2021 Annual Action Plan for Housing and Community Development (“2021 Action Plan”) with the U.S. Department of Housing & Urban Development on May 14, 2021, contingent on federal funding allocation decisions. If federal funding is delayed, the plan may be submitted to HUD after this date. The draft 2021 Action Plan contains a funding contingency plan.

This document concerns programs that are funded through the U.S. Department of Housing & Urban Development under Title I of the Housing & Community Development Act of 1974 as amended. Annually, the state receives about \$35 million for housing and community development funds. This document governs the allocation of those funds among housing and community development activities (e.g., economic development initiatives, infrastructure improvements, and homeownership and rental programs).

The 2021 Action Plan provides information on the housing and community development needs priorities and one year spending plan for the Community Development Block Grant Program, the Home Investment Partnership Program, the National Housing Trust Fund, the Emergency Solutions Grant Program, and the Housing Opportunities for Persons with Aids Program.

The Office of Community and Rural Affairs will have the 2021 Action Plan available for public inspection prior to its submission. Members of the public are invited to review the 2021 Action Plan during the hours of 8:30 a.m. to 5 p.m., March 15 through May 13, 2021, at One North Capitol, Suite 600, Indianapolis, Indiana 46204.
