**NOTICE OF FILING OF
2020 Recovery Housing Action Plan Amendment Four**

Notice is hereby given that the Indiana Office of Community & Rural Affairs plans to amend its 2020 Action Plan for the Recovery Housing Program with the U.S. Department of Housing & Urban Development on or about Aug. 15, 2025.

This amendment will combine the RHP funding allocation from FY2020, FY2021, FY2022, FY2023 and FY2024. The amendment adjusts the general selection criteria for Recovery Housing Program Grants for the 2024 Recovery Housing Program allocation.

This document concerns programs funded through the U.S. Department of Housing & Urban Development under the Recovery Housing Program, authorized under Section 8071 of the Support for Patients and Communities Act. RHP allows states and the District of Columbia to provide stable, transitional housing for individuals in recovery from a substance-use disorder. The funding covers a period of not more than two years or until the individual secures permanent housing, whichever is earlier.

The RHP Action Plan provides information on the recovery housing needs in the State of Indiana, a one-year spending plan for the program and the state's strategy for allocating RHP funds, giving priority to entities with the greatest need and ability to deliver effective assistance in a timely manner to address gaps in services.

OCRA will have the RHP Action Plan amendment available for public inspection prior to its submission. Members of the public are invited to review the RHP Action Plan Amendment Four draft during the hours of 8:30 a.m. ET to 5 p.m. ET, July 8 through Aug. 8, 2025, at the Indiana Office of Community & Rural Affairs, located at 1 N.
