---

## Section II: Project Proposal Information

12. Project Summary. Summarize the project and how it fulfills the purpose of this funding opportunity.

13. Site Location: Location of Project.

14. Goals and Activities. Provide the specific goals and the detailed activities on how the project will be completed.

15. Energy Resiliency & Innovation. Describe how the project provides energy resiliency and innovation.

16. Energy Audits.

17(a,b&c). Expected Results, Benefits, and Metrics for Energy Savings. Using the tables, estimate energy savings for consumption (a) and costs (b). Current annual consumption (Energy Unit & Type kWh, MMBTU, or Gallons below) and costs should be supported through documentation such as utility bills. Describe anticipated results and benefits from the project (c).

17a:

--

17b:

Energy Type & Unit (Type kWh, MMBTU, or Gallons below)	Current annual energy consumption Energy Unit (Type kWh, MMBTU, or Gallons below)	Anticipated annual energy consumption Energy Unit (Type kWh, MMBTU, or Gallons below)	Anticipated energy consumption savings Energy Unit (Type kWh, MMBTU, or Gallons below)
Electricity			
Natural Gas			
Propane/Fuel Oil			
Other (describe)			

17c:

Energy Type & Unit	Current annual energy costs	Anticipated annual energy costs	Anticipated energy cost savings
Electricity			
Natural Gas			
Propane/Fuel Oil			
Other (describe)			

Additional explanation, if needed.
------------------------------------

### Section III: Budget Information

#### 18. Budget

Cost Category	Column 1 Grant Request (\$)	Column 2 Other Funds (\$)	Total (\$)
Personnel			
Contractual			
Supplies & Materials			
Equipment			
Travel			
Other			
Total Budget			

#### 19. Justification for items requested.

For each cost category listed in the budget, describe what is included and how these items will be used to achieve the objective(s) and/or outcome(s) of the project. If necessary, add more items by attaching a PDF.

Cost Category:
Cost Category:
Cost Category:

20. Project Funding Sources and Match Explanation.

List the sources of funds for this project, the amount and percent of total project. Indicate the source and amount of funding from your own organization that will be contributed to this project as match. Note, funds from other federal programs cannot be used as match toward this funding opportunity. Use the box below if additional explanations are needed (max 1,000).

Funding Source	Funding Amount	% of Total Project

21. Supplement Documentation

List all attachments that will accompany your application.

**Section IV: Affirmation**

1. To the best of my knowledge, the information in this application is correct and that I am legally authorized to sign and submit this application on behalf of this organization, which is legally eligible to enter a grant contract.
2. I understand that submitting false or misleading information in connection with this application may result in the application or organization being found ineligible for financial assistance under the OED Grant Program. I further understand that receiving public grant funds because of false representations constitutes an act of fraud.
3. I understand that OED may conduct audits, check references, and conduct site inspections before or after grants are awarded and disbursed.
