Darlington water rate case: Consumer comments invited

If you would like to comment on Aqua Indiana's proposed rate increase for customers in its Darlington Water Division, you have the chance to do so.

The Indiana Office of Utility Consumer Counselor (OUCC), the state agency representing consumer interests in cases before the Indiana Utility Regulatory Commission (IURC), is reviewing the utility's request and expects to file testimony on Jan. 30, 2020.

While using its legal and technical resources to review the request, the OUCC is inviting written consumer comments through Jan. 23, 2020.

Aqua Indiana's Darlington Water Division includes nearly 300 customers in Montgomery County. Rates and charges for Aqua Indiana's other service territories throughout the state are not at issue in this case.

Under its request, the utility's minimum monthly residential water rate for 6,000 gallons or less would rise from \$46.69 to \$57.49. The utility cites increases in operating and maintenance costs in its filing with the Commission, along with infrastructure improvements including main replacements. Aqua Indiana, Inc. purchased the former Darlington Water Works Company in 2006.

The utility is seeking the rate increase through the state's Small Utility Filing Procedure, which is available to certain utilities and is designed to reduce the time and expense involved with regulatory filings. Savings are gained by allowing utility staff to use standardized forms resulting in utilities needing less assistance from rate consultants or attorneys, leading to fewer expenses that would be passed on to customers through rates.

The standard for OUCC and IURC reviews on small utility filings is the same that applies to traditional utility filings. The OUCC conducts its review on behalf of all utility consumers while the IURC's review is conducted on behalf of the public interest (a balancing of utility and customer interests). A settlement agreement is possible in any legal proceeding; such an agreement, if reached, would require IURC approval.

Consumers who wish to submit written comments for the case record may do so via the OUCC's website at www.in.gov/oucc/2361.htm, by email at uccinfo@oucc.IN.gov, or by mail at:
