### **Important information about your Medicaid**

This summer, Indiana will launch a new Medicaid program called Indiana PathWays for Aging. You are receiving this letter because you are currently receiving Hoosier Care Connect Medicaid benefits from the Managed Health Services (MHS) Medicaid health plan. Your Medicaid health coverage will automatically transition to Indiana PathWays for Aging this summer. This letter will tell you about important changes happening to your health coverage.

#### **What you need to do now**

You will need to select a new Medicaid health plan for this program by April 30, 2024, because MHS is not an Indiana PathWays for Aging Medicaid health plan. Review the Health Plan Summary sheet included with this letter. The information on that sheet will help you learn more about the different Medicaid health plans (Anthem, Humana, UnitedHealthcare). If you do not choose a Medicaid health plan, one will be chosen for you. You may change your Medicaid health plan at any time up to 90 days after the start of the program. Call the Indiana PathWays for Aging Helpline at 87-PATHWAY-4 (877-284-9294) to make your choice. You need to pick a Medicaid health plan from the choices offered, Anthem/Humana/UnitedHealthcare (UHC), by April 30, 2024, or you will be automatically enrolled in one.

To help you with the changes coming, we will send you another letter 60 days before the start of the program to tell you which health plan will serve you. Your Medicaid health plan (Anthem, Humana, or UHC) will also reach out to you 30 days before the start of the program with more information.

**You may continue to use your existing Medicaid card during this transition.**

## **What is Indiana PathWays for Aging?**

Indiana PathWays for Aging is a Medicaid managed care program for Hoosiers 60 years and older. The PathWays program will help you get all the care and help you need as you get older. When you switch to this program, your Medicaid benefits will stay the same. Your assigned Medicaid health plan will continue your Medicaid services that have already been authorized for up to 90 days after the start of the program or until the authorization ends. More information about Indiana PathWays for Aging is available at [in.gov/pathways](https://in.gov/pathways) or by calling 87-PATHWAY-4 (877-284-9294).

## **What is a health plan?**

A health plan, also known as a managed health care entity, is a group of doctors, specialists, home healthcare providers, pharmacies, hospitals, and others that work together to coordinate your health needs. You may choose from: Anthem, Humana, or UnitedHealthcare (UHC). All these plans give you the same Medicaid health coverage, but they might work with different doctors, hospitals, or home and community-based providers and may offer you different special benefits.
