What you need to do now

You will receive a notice from Indiana Family & Social Services Administration (FSSA) alerting you to your upcoming change in benefits. To continue receiving Medicaid you will need to complete your interview scheduled with FSSA and verify your income and assets. If you continue to be eligible for Medicaid coverage, you will then be enrolled in the Indiana PathWays for Aging program. If you receive Medicare, Indiana may also help you with your Medicare costs such as premiums.

If you are not eligible for Indiana PathWays for Aging but you receive Medicare, FSSA may still determine that you qualify for a Medicare Savings Program, which helps with Medicare costs. In this case, you will not be enrolled in Indiana PathWays for Aging.
