

Do you own property, live or spend time within the Pigeon Creek watershed in Vanderburgh County, Indiana?

Please come and hear about the Pigeon Creek Flood Damage Reduction and Drainage Work Plan!

Join us at the upcoming PCWDC meeting to share the issues that matter most to you and your neighbors within the watershed. This is your opportunity to let the board know about any concerns, ideas, or priorities affecting the watershed and your community.

- **Flood Damage Reduction**
- **Drainage**
- **Storm Water Management**

Your voice matters. Together, we can protect and improve our watershed.

Monday, October 26, 2026 at 11:00 am CDT

Room 301 Civic Center Complex

1 NW Martin Luther King Jr Blvd., Evansville, IN 47708
