Re: LSA Document #24-611/Regulatory Analysis-Small Business Economic Impact Statement

Dear Mr. Hart,

Pursuant to Indiana Code 4-22-2.1-5(c)(2), as the Small Business Ombudsman for the state of Indiana, I have reviewed the proposed rule and economic impact analysis associated with the rule changes contained in LSA Document #24-611 (proposed rule) submitted to the Indiana Small Business Ombudsman by the Indiana Professional Licensing Agency. I have found the following to be true.

Proposed rule LSA #24-611 amends 876 Indiana Administrative Code (IAC) 3-2-12 in order to codify the existing fine structures which the Indiana Real Estate Commission practices when issuing fines and civil penalties as it concerns the Indiana Real Estate Appraiser Licensure and Certification Board.

The Indiana Professional Licensing Agency's provided analysis displays a proper due diligence and understanding of how implementation must be carried out to ensure compliance while minimizing the potential impact to small businesses and individuals. Based upon this statement and review, the Indiana Small Business Ombudsman supports the proposed rule related to the economic impact on small business if the Office of the Indiana Professional Licensing Agency's conclusion reflects the actual result after promulgation. If there are any questions about these comments, please contact me at ombudsman@iedc.in.gov.

Sincerely,
Aidan Battista
