OLD/NEW BUSINESS

A. HEA 1245

Reviewed HEA 1245 and talked with them about the survey they need to complete prior to deciding what offenses will be selected. Larry Leverenz provided the board with a summary of the presentation he attended electronically about HEA 1245. Stephanie Mullaney discussed the petition process as well. So people can see if they can qualify for a profession due to their criminal past. There are four factors to review, though if an individual has a disqualifying criminal conviction, unless there is an offense of violence, of sexual nature or dealing of narcotics, then the 5 year period, then will apply. John Knot expressed displeasure about the criminal compendium list as a lot of the items are subjective. Board decided to submit the completed surveys to Amy Hall by September 10, 2018.

Dr. Miller passed away and Larry wanted to acknowledge all that he did for the Athletic Trainer Board.
