**PERSONAL APPEARANCES**

David Bowden  
Initially licensed February 28, 1979 but has not renewed in over 30 years. The licensee is not in our licensing system due to long expiration date. The license number reflects his initial licensure, not the elongated one that is currently in use for all licensees. In 2002 and in 2003 he did practice architecture via DHS checks. The board has determined to reinstate on indefinite probation with a requirement of 12 hours of continuing education within the next 6 months. This continuing education cannot be added into the regular continuing education required during a biennium renewal as well as the required reinstatement fee.

Motion and second to approve the reinstatement of David Bowden on probation – Deb Schmucker/Todd Scoggins
