## 24. Does your program have a systematic evaluation plan of the curriculum in place?

82 Responses

<u>Response</u>	<u>Percentage</u>
Yes	100.0%

If yes, please explain:

<u>Program Name</u>	<u>Description of Systematic Evaluation Plan</u>
Anderson University BS	Strategically place proctored, standardized exams with remediation. Student surveys for clinical, simulation, lab, and classroom experiences after each semester and employer surveys annually. Review curriculum maps for each nursing course annually. End of semester reports submitted at the conclusion of each semester.

Program Name	Description of Systematic Evaluation Plan
	Curriculum coordinator, Assessment coordinator, Dean, and Faculty Governance review data gathered.
Ball State University BS	The BS Curriculum Committee, Director, and Program Directors review the curriculum on an ongoing/as-needed basis, every three years at a minimum, and reviews the overall structure of the curriculum at least every fifth year.
Bethel University ADN	The SPE follows the ACEN Standards & Criteria
Bethel University BS	Plan is in compliance with ACEN standards
Caris College PN (Jeffersonville)	There is a quarterly curriculum meeting with faculty & the PD.
Chamberlain College of Nursing BS	The Systematic Evaluation Plan (SEP) includes specified outcomes of curricular assessments and findings that demonstrate congruence with required accreditation and Board of Nursing standards. Associate deans meet with faculty course teams, typically each semester, to discuss student academic data, data from end-of-course surveys, and any pressing issues in the course. Concerns related to course content, activities, or processes are brought to the Faculty Course Advisory Councils (FCAC).
Fortis College ADN (Indianapolis)	Yes, it is set up utilizing the ACEN standards.
Goshen College BS	Checks, compliance with faculty ratios, qualifications, student assessment pieces, reporting of outcomes, etc.
Hardon Education PN	Our Systematic Plan of Evaluation (SPE) is our documented tracking of our end-of-program student learning outcomes (EOPSLOs) and program outcomes. Faculty gather most data quarterly, which is reviewed and analyzed to inform curriculum development and changes.
Hondros College of Nursing PN	The Systematic Program Evaluation Plan (SPEP) documents the Practical Nursing program's compliance with Indiana State Board of Nursing Law and Rule and NLN Commission on Nursing Education Accreditation Standards. The SPEP is reviewed annually by the SPEP Council to review program data, determine the methods by which the program remains compliant with all relevant criteria, and recommend areas for improvement as necessary.
Huntington University BS	The systematic evaluation plan outlines the process for ongoing, summative assessment of student learning outcomes at the nursing program level at Huntington University. The faculty will: 1) Utilize a variety of appropriate direct outcome assessment methods to ensure a comprehensive summative evaluation of each end-of-program student learning outcome. 2) Establish specific, measurable expectations for each summative assessment method. 3) Collect aggregated assessment data at regular intervals
Indiana State University BS (Terre Haute)	There is an undergraduate committee of faculty that review the curriculum on a regular basis and recommend changes as new innovation has been presented and tested
Indiana University BS (East)	The systematic plan for evaluation (SPE) follows ACEN guidelines.
Indiana University BS (IUPUI)	Office of Evaluation maintains a Master Evaluation Plan. Faculty Governance reviews courses as needed based on data metrics and revises with approvals. Current priorities are integration of new AACN Essentials.
Indiana University BS (Kokomo)	Faculty submit an analysis of student's achieved learning outcomes each semester to the Evaluation Committee with recommendations of changes for the next semester.
Indiana University BS (Northwest)	We utilize an ongoing systematic evaluation plan (SEP) for the assessment and evaluation of achievement of end of program student learning outcomes (EPSLOs), disciplinary competencies, and programmatic quality (licensure, certification, job placement). The SEP is reviewed and revised periodically (at least once per academic year) to meet the changing needs of the program and is regularly updated.
Indiana University BS (Purdue University Columbus)	Courses are reviewed triennially by committee.

Program Name	Description of Systematic Evaluation Plan
Indiana University BS (South Bend)	We annually assess the required elements for accreditation (pass rates, completion rates, employment rates) as well as program determined assessments (exit interviews, faculty outcomes, exam data, predictor exam scores)
Indiana University BS (Southeast)	1. Assessment of Student Learning annually (mapped to program learning outcomes, timeframe for assessment, tool utilized to assess, success criteria, results, whether criteria was met, and any other comments). 2. Co-Curricular Assessment (which is completed annually and mapped to the strategic plan; Goals, outcomes, Measurement Tool; Success criteria; and results are the components).
Indiana Wesleyan University BS	In alignment with AACN/CCNE Essentials
Ivy Tech Community College ADN (Anderson)	The Systematic Evaluation Plan (SEP) consists of 67 measures of Expected Levels of Achievement (ELA) across 5 standards, including Program Outcomes, Governance and Resources, Faculty, Students, and Curriculum and Evaluation, according to our nursing accreditation. Each ELA is measured against a benchmark and trended over 3 years. ELAs not meeting a benchmark are addressed with a formal action plan. Faculty actively participate in data analysis and program decision making for ongoing QI.
Ivy Tech Community College ADN (Bloomington)	The systemic evaluation plan (SEP) consists of 67 measures of Expected Levels of Achievement (ELA) across 5 standards, including Program Outcomes, Governance and Resources, Faculty, Students and Curriculum and Evaluation, according to our nursing accreditation.
