According to 848 IAC 3-1-1, Certified Nurse Midwife means a registered nurse who has graduated from a nationally accredited school of midwifery, has passed the National Certifying Examination given by the American College of Nurse-Midwives, and is licensed by the board to practice as a nurse-midwife or holds an active Nurse Licensure Compact (NLC) RN license.

To apply to practice midwifery in the State of Indiana, submit the completed [application](#) for limited licensure to:

Indiana State Board of Nursing
402 West Washington Street, Room W072
Indianapolis, Indiana 46204

Licensure Information for Nurse-Midwives

The Indiana State Board of Nursing may issue a limited license to practice as a Nurse-Midwife if the nurse does the following:

1. submits an application on a form prescribed by the board with the required fee;
2. submits proof of an active, unrestricted Indiana or NLC registered nurse license;
3. submits proof of graduation from a nationally accredited school of midwifery; and
4. submits proof of having successfully passed the National Certifying Examination given by the

American College of Nurse Midwives.
