Re: Final Disciplinary Hearing

This is an ALJ matter as Ms. Narwold is doing Personal Appearances. Cynthia Marcus appearing as counsel for respondent and Zanna Dyer for the State. Respondent was terminated for violating St. Vincent's attendance policy and she failed in 2013 to disclose this matter on her renewal. There is a nurse from St. Vincent who is a supervisor for the last four years who is here to testify against the respondent. Respondent was hired around 2011. State's exhibit is a regularly kept business document regarding attendance and it is admitted. State's exhibit B is a disciplinary form it is admitted as evidence. State Exhibit C entered into evidence, it is more discipline on attendance. Exhibit D admitted into evidence it is more discipline. Exhibit E for state is admitted it is more discipline. Several exhibits of F, F-1, F-2 admitted into evidence. Respondent Counsel cross-examines State's witness. Respondent's exhibit 1 is entered into evidence they are letters that witness for State wrote to respondent that were complimentary. State Exhibit G is affidavit stating that Respondent lied on her renewal about having been terminated. Respondent's attorney questioned respondent. Exhibit 3 for respondent is a Caring Angel Award dated December 2012. Respondent Exhibit 5 are accolades from IU Health and St. Vincent. Exhibit 6 for respondent are letters from co-workers from St. Vincent which attest to her character. Cooper/Ogle motioned for Ms. Cooke to complete CE 12 hours in ethics/professionalism and 12 hours in documentation, \$250 fine and letter of reprimand as well as referral to Attorney General's office for ISNAP evaluation. 4-0-1 recommended is recommended to the Full Board from the ALJ Panel.

Administrative Cause No. 2012 NB 120

Re: Request for Modification of Decision on Application to Renew/Reinstate License Dated February 29, 2012

ALJ Hearing as Ms. Narwold is doing Personal Appearances. Zanna Dyer appeared on behalf of the state. Ms. Dull is on probation because of a co-worker complaint which respondent disputes, she was terminated for violating a polite communications policy. Exhibits including a letter and recommendations have been admitted as Exhibit 1. Respondent has been doing a lot of volunteer work of which she described. Respondent had been terminated two times before. License was renewed in February 2012. Will the Board allow nurse to use volunteer work as nursing work so she will not have to take refresher course? There has not been appropriate nursing work in over three years. Hall/Ogle motioned and motion carried for Ms. Dull to continue on probation and she needs a refresher course with clinical component before she can come back and request probation be lifted. ALJ Panel recommends this 4-0-0 to the Full Board.

The following hearings took place on July 09, 2015 in front of ALJ Cecelia Smith, R.N., A.P.N., in Conference Room 1. The court reporter for all hearings on this date was Peggy Morgan from Circle City.

Administrative Cause No. 2009 NB 058

Re: Request to Reinstate

Jason Gross appeared on behalf of the State. Two witnesses appeared on behalf of the respondent. Sarah Washburn, RN, is one of the witnesses and she is related to respondent through marriage. Jeffrey Ryan, respondent's father is the second witness. Exhibit 1 entered into evidence for respondent which is three letters of recommendation. Exhibit 2 entered into evidence for the respondent which is proof of probation completion with the Brown County criminal justice system.

ALJ Smith Recommended: To be placed on a probationary license which she will need to take a refresher course with a clinical component and submit evidence of completion to the Board, she also needs to be evaluated by ISNAP for an RMA and if ISNAP determines there is an RMA needed she must be in compliance for the entirety of the agreement. And that at a minimum she must have one year of active nursing practice before she can petition to have a free and clear license; if she is able to obtain employment after her refresher course that employer must submit quarterly reports. If she is unable to obtain nursing employment after refresher course, she still must submit self reports on a quarterly basis.
