<td>Ms. Modlin appeared, with counsel, for her personal appearance regarding her application for licensure. She reported a malpractice settlement on her APN application and her RN renewal. The settlement was not against her and her insurance did not make any payments on her behalf. The hospital made the settlement. She was working in a small ER. There were 2 nurses. A patient came in and was coding. This was her first code. The patient passed away. She was working with another patient who had to be transferred. She then had to stop and get meds for another patient that came in. The wrong dose was given to the patient. This happened in 2012. She was the administering party. The patient had some chest pain. The doctor told her what dose to give. The patient was transferred to another hospital. The patient has no long term effects due to this. It was a miscommunication between doctor and nurse. Ms. Cooper recommends the following: She is allowed to be issued the APN license. Her RN license is to be renewed free and clear. She does need to complete 12 CEUs in medication safety/medication admin.</td>

<td>Ms. Johnson appeared for her personal appearance regarding her application for licensure. She answered yes to question number 3 on her application. In 2010, her and her husband got into an altercation and she smacked him. She was arrested and placed on probation. While on probation she violated her probation by using marijuana. She was pregnant at the time and her urine from the doctor was clean. She was arrested for 3 months and then on house arrest. The drug test during the probation was a random test that was part of her probation. She had to take domestic battery classes. She didn’t complete those classes. At that time she was 31. This is her only arrest. Ms. Cooper recommends the following: She must have an ISNAP evaluation. If meets criteria for RMA she must comply with those terms. She is allowed to test. Her license is to be issued on probation for one year of active practice with quarterly reports from employer and completing 6 CEUs in nursing professionalism.</td>

<td>Ms. Wofford appeared for her personal appearance regarding her application for licensure. She graduated in 2012. She has taken NCLEX 4 times. This is her first time in front of the board. With the fourth attempt her performance is going down instead of up. She should be at or above standards, but she has more below than above. She is using apps on her phone to help. She is using Kaplan study for review right now. She answered yes to number 3. In 1993, she was found guilty for battery. There was a family fight on the block. Her family was fighting another family and they all went to jail. She was on probation and had to do community service. This was her only arrest. Ms. Cooper recommends the following: She must take a review course. She must present to the board predictability documentation showing that she has a 95% chance or greater of passing the NCLEX. Once this document is received she will be allowed to test and the license is to be issued free and clear.</td>

6. Melani Ajvaz  
Ms. Ajvaz appeared for her personal appearance regarding licensure. She has tested 5 times, last time was July 2015. She has sat with the board in November 2014. At that time she was told to take a review course. She did and retook the test and did not pass. She is not sure why she is not passing the test. She graduated in 2013. She did better in 2014 than she did on her last test in 2015. She does not appear to be getting closer.
Ms. Cooper recommends the following: Her application is denied. She needs to return to school.

7. Alisha Barnes  
Ms. Barnes appeared for her personal appearance regarding her application for licensure. She has an Illinois license. She answered no to all the questions on her application. She doesn’t know why she didn’t answer yes. In 2011, she had a DUI. She was in one car and the car in front was in an accident. Her car was not involved with the accident. She drove her car from the accident. She drove to the police station under the influence of alcohol. Her blood alcohol was .119. She went to court. She did an alcohol evaluation. She was on court supervision for 12 months. She lost driver license for 6 months and had to pay fines. The matter was dismissed. In 2012, she was guilty of resisting a peace officer. The road conditions were really bad; she was the passenger in a car that had slid off the road. Someone stopped and asked if they were ok and they were. That person called the cops and then the driver of the car took off running. She went to the back seat to get her purse out. The officer thought she was hiding from him. Alcohol or drugs were not involved. She doesn’t know what happened with the driver. She had to do 30 hours of community service and fines.
Ms. Cooper recommends the following: She can be issued a license on probation for 6 months active practice with quarterly reports.

8. Leigh Sloan  
Ms. Sloan appeared for her personal appearance regarding her application for licensure. She graduated in August 2015. She answered yes to question 3. There was a period in her 20s where she was arrested on 3 different occasions. The time frame was 2008-2009. The first arrested was for possession of marijuana. She was sentenced to a year of informal probation, 2 days in jail, and drug class. She was boating at the time. The 2nd time was also possession of marijuana. She was driving. She had probation. The 3rd time she had a public intoxication while boating on the river. Her blood alcohol was .12. She does not feel she has a problem with alcohol or drugs. She no longer smokes marijuana. She hasn’t smoked since the 2nd time she was arrested.
Ms. Cooper recommends the following: She is allowed to test. Her license is to be issued free and clear.

9. Amber Murphy  
Ms. Murphy did not appear for personal appearance regarding her application for licensure. She must have an ISNAP evaluation.

Mr. Clowers appeared for his personal appearance regarding his application for licensure. He graduated September 2015. He answered no to all the questions on his application. He should have answered yes to number 3. In the late 90s he was charged with residential entry. He had been staying there with a key. He was not on the lease. The person on the lease called the cops. He was not living there at that time. He went in the house to get his stuff. He was placed on a year of advisement by the court. The case was dismissed after a year. He had a second arrest for an OUI. His Blood alcohol was .07. This happened in Michigan. The officer didn’t believe he was safe to drive even though he was under the legal limit. All his infractions had alcohol involved. He has been sober for 8 years. He had a 3rd arrest. He was involved in a bar fight in Chicago. No one was hurt and no charges were filed. He had a 4th arrest for drinking and driving. He doesn’t know his blood alcohol level for that one. He was taken in and then released. He had one infraction since his sober date 8 years ago.
Ms. Cooper recommends the following: He is allowed to test. His license is to be issued on one year of active practice with quarterly reports. He must have an ISNAP evaluation.
11. David Clark  
Mr. Clark appeared for his personal appearance regarding his application for licensure. He answered yes to question number 3. He has been an alcoholic since the age of 12. He has been sober for 8 years. His first arrest was in 1999, he was leaving a party and was charged with under age drinking and marijuana. In 2003, he was working as a bartender. After leaving work he was pulled over and received a DUI. His last arrest was after he broke up with his girlfriend and found out his sister had cancer. He got drunk and drove from his house. A cop saw him pull out from his driveway and pulled him over. He was upfront with his nursing program regarding his history. His sobriety is 8/30/2007. There were no accidents involved in any of these incidents. He graduated in 2013 but he has been keeping up with review courses and school.
Ms. Hall recommends the following: He is allowed to test. He must have an ISNAP evaluation. If he meets criteria for an RMA his license is to be issued on probation with quarterly compliance with RMA and quarterly reports. If he does not meet criteria then his license is to be issued free and clear.

12. Jacqueline O’Brien-Gray  
Ms. O’Brien-Gray appeared for her personal appearance regarding her licensure. She graduated in 2001 and has tested 3 times. She works at Putnam County hospital in Greenscicle as an LPN. She received her LPN from Ivy Tech and went to ISU for RN. She is not sure why she is struggling with the test. She did well through school. She first took the test shortly after she graduated, and the second shortly after. The third time was in 2009. Since she took the test in 2009, she has not taken any kind of review course.
Ms. Hall recommends the following: She must take a review course. She must present to the board predictability documentation showing that she has a 95% chance or greater of passing the NCLEX. Once this document is received she will be allowed to test and the license is to be issued free and clear. This will be her last chance of taking the test.

13. Jasmine Kamran  
Ms. Kamran appeared for her personal appearance regarding her application for licensure. She answered no to question number 3 when she should have answered yes. In 2004, she arrested with a friend but the case was dismissed. She thought it was expunged so that is why she answered no. It was a battery charge. She was in the car and her driver was in a fight. She was released.
Ms. Hall recommends the following: She is allowed to test and her license is to be issued free and clear.

14. Kendra Gidley  
Ms. Gidley appeared for personal appearance regarding her application for licensure. She answered yes to question number 3. In 2013, she had an OWI. She was out with friends. They did have a DD for the night. They went back to her sister’s house. The DD had left and she wanted to go home. She lived about a mile away. She hit a tree; she ran to her sister’s house then went back to the scene. She has completed probation. There were no injuries. Her blood alcohol level was .13. When she was 16 she had a minor consumption.
Ms. Cooper recommends the following: She is allowed to test and her license is to be issued free and clear for 6 months active practice with quarterly reports.

15. Vanessa Fowler  
Ms. Fowler appeared for personal appearance regarding her application for licensure. She answered no on all questions. She thought it was completely off her record so that is why she answered no. She was arrested for retail theft when she was 17. It happened almost 10 years.
