Following Board discussion, a motion was made and seconded to adopt the recommendation to place the program on a full Board accreditation status.

VI. DISCUSSION

A. Cristina Williams, R.N. License No. 28183505A (expired) – Request to voluntarily surrender

Ms. Williams submitted a request to the Board to voluntarily surrender her nursing license. The Board precedent in situations where a licensee seeks to surrender licensure to avoid potential disciplinary action against the license is to deny the request to surrender and allow the Attorney General's consumer complaint process to work its way through the process. A motion was made and seconded to deny the request and refer the matter to the AG as a consumer complaint.

Motion carried 6-0-0.

B. Juliann Lowe, LPN Exam Applicant, Personal Appearance

VII. BOARD DIRECTOR REPORT

Currently, there are approximately 94,000 actively licensed RNs in the state of Indiana. Mr. Gorman expects that there will be 100,000 RNs by the next RN renewal cycle.

Mr. Gorman also reported the status of the recent changes in the Attorney General's office with respect to the Consumer Protection Division. The Board discussed concerns about the consumer complaint process in terms of the amount of information presented to Board designees regarding the results of their investigation. Mr. Burghduff expressed concern that the information was not sufficient to make an informed decision on whether or not to request formal charges be issued against licensees. Mr. Burghduff also expressed concern that many of the matters presented to the Board as part of formal actions or in the informal Board summaries. The Board requested that Mr. Gorman contact Gabrielle Owens to request her appearance on behalf of the Attorney General's office to discuss the Board's concerns.
