(b) A practitioner shall maintain the confidentiality of all knowledge and information regarding a patient, including, but not limited to, the patient’s:

1. diagnosis;
2. treatment; and
3. prognosis;

Information about a patient shall be disclosed by a practitioner when required by law, including, but not limited to, the requirements of IC 34-30-15-1 et seq. and IC 16-39-1-1 et seq., and any amendments thereto, or when authorized by the patient or those responsible for the patient’s care.

(d) The practitioner shall give reasonable written notice to the patient and to the referring physician, podiatrist, psychologist, chiropractor, or dentist when the practitioner withdraws from a case so that another referral may be made by the referring physician, podiatrist, psychologist, chiropractor, or dentist. This provision does not prohibit a practitioner from promptly reporting said conduct directly to the physical therapy committee. Further, a practitioner who has personal knowledge of any person engaged in, or attempting to engage in, the unauthorized practice of medicine or physical therapy shall promptly report such conduct to the medical licensing board or the physical therapy committee.

(j) A practitioner who voluntarily submits himself or herself to, or is otherwise undergoing a course of treatment for:

the practitioner must render that service or procedure for no more than the fee advertised.
(t) Except as otherwise provided in these rules, a practitioner shall not contact or solicit individual members of the public personally or through an agent in order to offer services to such person or persons unless that individual initiated contact with the practitioner for the purpose of engaging that practitioner’s professional services.

Prior to any such referral, however, the practitioner shall examine or consult with, or both, the patient and the referring physician, podiatrist, psychologist, chiropractor, or dentist to ensure that a condition exists in the patient that would be within the scope of practice of the specific professional health care provider to whom the patient is referred or sent.
(v) A practitioner, upon:
   (1) his or her retirement;
   (2) discontinuation of the practice of physical therapy;
   (3) leaving or moving from a community;

shall notify all of his or her active patients in writing, or by publication once a week for three (3) consecutive weeks in a newspaper of general circulation in the community, that he or she intends to discontinue his or her practice of physical therapy in the community and shall notify the referring physician, podiatrist, psychologist, chiropractor, or dentist of each active patient. The practitioner discontinuing his or her practice shall make reasonable arrangements with his/her active patients for the transfer of his/her records, or copies thereof, to the referring physician, podiatrist, psychologist, chiropractor, or dentist who shall make the records, or copies thereof, available to the succeeding practitioner or to a program conducted by a professional society or association.
(x) As used herein, “active patient” applies and refers to a person whom the practitioner has:
   (1) examined;
   (2) treated;
   (3) cared for; or
   (4) otherwise consulted with;
during the two (2) year period prior to retirement, discontinuation of the practice of physical therapy, or leaving or moving from a community.
(y) A practitioner shall not base his fee upon the uncertain outcome of a contingency, whether such contingency be the outcome of litigation or any other occurrence or condition that may or may not develop, occur, or happen.
(z) A practitioner shall not attempt to exonerate himself or herself from or limit his or her liability to a patient for his or her personal malpractice except that a practitioner may enter into agreements that contain informed, voluntary releases or waivers of liability, or both, in settlement of a claim made by a patient or by those responsible for a patient’s care.
(aa) A practitioner shall not attempt to preclude, prohibit, or otherwise prevent the filing of a complaint against him or her by a patient or other practitioner for any alleged violation of this title, IC 25-27-1 et seq., or any other law.
