

Substance Use Disorder Affects Thousands of Hoosiers

Know the Facts is dedicated to providing factual information, offering helpful resources and reducing the stigma around addiction. At KnowTheFactsIndiana.org, Hoosiers can learn, share encouragement and hear real recovery stories.

When we understand that addiction is a disease, we can show support for those in treatment and embrace the hope that comes with recovery.

If you or a loved one need immediate support:

Connect to local resources or speak to a recovery specialist: **2-1-1**

SAMHSA's Addiction Helpline:
1-800-662-HELP (4357)

Suicide Prevention Helpline:
1-800-273-8255

Visit in.gov/recovery to find recovery resources in Indiana.

Visit KnowTheFactsIndiana.org for more information and to see stories of hope.

SHOW SUPPORT

It's important that Hoosiers support those who are receiving treatment for substance use disorder.

Give support by:

- Sending encouraging messages to those working on recovery
- Taking steps to reduce stigma associated with addiction
- Discovering what Indiana is doing to help Hoosiers with substance use disorder

SHARE KNOWLEDGE

The more we know about substance use disorder, the more understanding and compassionate Hoosiers we can be.

Gain knowledge by:

- Reading information about substance use disorder
- Using tools and sharing resources that promote compassion
- Taking a quiz to see if you know the facts

DISCOVER HOPE

Fighting the disease of substance use disorder and the stigma associated with it is hard. Through education and empathy, we can find the hope of recovery and share it with others.

Celebrate hope by:

- Seeing real stories of Hoosiers in recovery
- Sharing Indiana's progress in the fight against substance use disorder
- Helping Hoosiers understand that recovery is possible
