

# Substance use disorder has struck Indiana's farm and rural communities hard.

Lending a hand is a way of life around here. So, it's important you know the facts. The more you understand substance use disorder, the more help you can be to your neighbors and fellow Hoosiers.

- 1. KNOW**      **It's a disease.**
- 2. SUPPORT**      **There is treatment.**
- 3. HOPE**      **Recovery is possible.**

**the facts.**
