*Re:* LSA Document #18-197 / Economic Impact Statement

Ms. Simpson,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small business associated with the rule changes contained in LSA Document #18-197 proposed by the Indiana Board of Animal Health.

Based on my assessment as the Small Business Ombudsman, I support this proposed rule that is necessary to comply with a federal mandate.

The economic impact statement prepared by Indiana Board of Animal Health states, "The proposed rule reduces reporting, record keeping and other administrative costs of regulated entities." "This rule reduces compliance costs for regulated entities."

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Indiana Board of Animal Health conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at [KColclazier@iedc.IN.gov](mailto:KColclazier@iedc.IN.gov).

Sincerely,
