Re: LSA Document #21-23/Economic Impact Statement

Ms. Owens,

Pursuant to Indiana Code 4-22, as the Small Business Ombudsman, I have reviewed the economic impact analysis for small businesses associated with the rule changes contained in LSA Document #21-23 proposed by the Indiana Department of Health.

Based on my assessment as the Small Business Ombudsman, I have concluded that the proposed rule will not have a negative impact on small businesses.

The economic impact statement prepared by the Indiana Department of Health, "Compliance with the proposed rule imposes no economic impact on small businesses."

Based upon this statement and review, the Small Business Ombudsman supports the proposed rule related to the economic impact to small business if the Indiana Department of Health conclusion reflects the actual result after promulgation. If you have any questions about these comments, please contact me at jfagan@iedc.in.gov.

Sincerely,

Joe Fagan
