

\*\*\*\*PLEASE NOTE\*\*\*\*

Pursuant to IC 6-3.6-9-5, before October 1, the Budget Agency shall provide to the county auditor an estimate of the amount of local income taxes that will be distributed to the county in the following calendar year. This certification is based on the tax returns that have been processed by the Department of Revenue during the state fiscal year ending before July 1 of the calendar year in which the certified distribution determination is made.

Additionally, the tax returns that have been processed by the Department of Revenue include the local income tax amounts billed when wholly satisfied and amounts reported by, or on behalf of, race team members (IC 6-3-2-3.2) and team members (IC 6-3-2-2.7). Also, pursuant to IC 6-3.6-9-4.1, the budget agency shall adjust the amounts determined under section 4 for the credits claimed against local income taxes under IC 6-3.6-8-6 and IC 6-3.1-19. The adjustments made by the budget agency may be phased-in over several years until the credits are fully accounted for. For the purpose of these distribution estimates, the budget agency has phased-in these credits over six years.

The State Budget Agency has prepared the distribution amounts presented here based on the best information available regarding local income tax rates at this time. Under IC 6-3.6-3-3, local income tax rates may be changed at any time before November 1 of any year. As a result, counties have not yet certified the local income tax rates that will be in effect on January 1, 2024. Any rate changes that occur or are communicated to the State Budget Agency after October 1, 2023 and before November 1, 2022 will alter the amounts presented here. The distribution amounts should therefore not be considered final until the final certification is released between November 1 and December 1.

Local officials can assist the State Budget Agency in confirming the CY 2024 certified distribution amounts by verifying the accuracy of the rate information presented here and notifying the State Budget Agency of any rate changes that may not be reflected.

Please note that IC 6-3.6-3-2 requires that ordinances adopting rate changes be submitted to the State electronically in a format prescribed by the Department of Local Government Finance. Submitting the ordinance to the Gateway is the method officially prescribed by the Department of Local Government Finance.

Communications with the State Budget Agency regarding the published certified distributions should be directed to Hari Razafindramanana at (317) 232-3471 or HRazafindramanana1@sba.IN.gov
