

****PLEASE NOTE****

As required before IC 6-3.6-9-5, before August 2 the Budget Agency shall provide to the county auditor an estimate of the amount of Local Income Taxes that will be distributed to the county in the following calendar year. The following documents complete the August requirements contained in the aforementioned statutes. Under these statutes, before October 1 of each calendar year, the Budget Agency shall certify to the county auditor an updated certification. The October certifications may be further revised if a county changes a rate after that date.

The State Budget Agency has prepared the distribution amounts presented here based on the best information available regarding local income tax rates at this time. Under IC 6-3.6-3-3, local income tax rates may be changed any time before November 1 of a year. As a result, counties have not yet certified the local income tax rates that will be in effect on January 1, 2020. Any rate changes that occurred or were communicated to the State Budget Agency after July 31, 2019 will alter the amounts presented here.

Local officials can assist the State Budget Agency in finalizing the estimate of CY 2020 certified distribution amounts by verifying the accuracy of the rate information presented here and notifying the State Budget Agency of any rate changes that have passed or are anticipated to be passed before October 31st.

Please note that IC 6-3.6-3-2 requires that ordinances adopting rate changes be submitted to the State electronically in a format prescribed by the Department of Local Government Finance. Submitting the ordinance to the Gateway is the method officially prescribed by the Department of Local Government Finance.

Communications with the State Budget Agency regarding the published certified distributions should be directed to Hari Razafindramanana at (317) 232-3471 or HRazafindramanana1@sba.IN.gov
