Join us for our new SBA Office Hours format

Starting April 1, 2026, you will have a new way to engage directly with the SBA Grants Management Team through an improved Office Hours setup. Grants Management experts will be available to support you at every stage of the Euna Grants Life Cycle, whether you have questions about Grantee, Grantor, or need Subrecipient support. These open forums give you the freedom to choose discussion topics, receive instant responses, and request live demonstrations.

The new format of Office Hours will be held every Wednesday from 2:00 pm – 3:00 pm via Microsoft Teams. Use the following link to join the meeting:

Do you have a topic or question for Office Hours?

The SBA Grants Management team would like to hear directly from you at our upcoming session. By sharing your questions or topics, you help us focus the discussion on the issues that matter most to you.

Advance submission of questions or topics is completely optional. Whether you prefer to send your questions beforehand or speak up during the session, your unique experiences make these conversations valuable for everyone. We are excited to collaborate with you and look forward to your contributions. If you would like to submit questions or topic suggestions ahead of time, please use this [FORM LINK](#).
