Charter School Board
Dugger Union Community School Corporation
Sullivan County, Indiana

We have reviewed the audit report of the Dugger Union Community School Corporation, which was opined upon by Greenwalt CPAs, Inc., Independent Public Accountants, for the period July 1, 2022 to June 30, 2023. Per the *Independent Auditors' Report* the financial statements included in the report present fairly the financial condition of the Dugger Union Community School Corporation as of June 30, 2023, and the results of its operations for the period then ended, on the basis of accounting described in the report.

We call your attention to the findings in the report on page 23. Please see the Schedule of Findings and Questioned Costs for complete details related to the findings. Management's Corrective Action Plan appears on pages 24 and 25.

In our opinion, Greenwalt CPAs, Inc. prepared the audit report in accordance with guidelines established by the Indiana State Board of Accounts.

In addition to the report presented herein, a Supplemental Audit Report for the Dugger Union Community School Corporation was prepared in accordance with the guidelines established by the Indiana State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Dugger Union Community School Corporation:

Opinion

We have audited the financial statements of Dugger Union Community School Corporation (an Indiana public charter school, "the School"), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America (Government Auditing Standards), and *Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources and Guidelines for Audits for Charter Schools performed by Private Examiners* established by the Indiana State Board of Accounts. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a

guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards, will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, Government Auditing Standards, and *Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources and Guidelines for Audits for Charter Schools performed by Private Examiners*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 5, 2023 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the School's internal control over financial reporting and compliance.

DUGGER UNION COMMUNITY SCHOOL CORPORATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DESCRIPTION OF ORGANIZATION

Dugger Union Community Schools Corporation ("the School") is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. The School operates a public charter school established under Indiana Code 20-24 and sponsored by Grace College. The School provides educational instruction to approximately 550 students in grades kindergarten through twelve.

The School receives the majority of its funding from the Indiana Department of Education. Those revenues are supplemented with funds from grants and contributions.

BASIS OF ACCOUNTING AND USE OF ESTIMATES

The accompanying financial statements were prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support, revenues, and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

The School considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2023 and 2022. The School maintained cash in excess of Federal Deposit Insurance Corporation (FDIC) limits of approximately \$2,400,000 at June 30, 2023 and 2022.

GRANTS RECEIVABLE

Grants receivable represent the uncollected portion of funds from grants awarded to the School. Grants receivable are unsecured and are due from Indiana governmental entities and private. Grants receivable are stated at the amount determined by public statute or by the underlying private funding agreements. Generally, there is not significant risk of loss of these amounts due since they are statutorily determined and obligated. However, there is some risk that public funding from the State of Indiana could be reduced from amounts previously determined during periods of prolonged economic downturn.

The School reviews grants receivable and writes off any amount to be deemed uncollectible. There were no allowances for uncollectible receivables as of June 30, 2023 and 2022. All grants receivable are due within one year.

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost if purchased, or, at the estimated fair value at the date of the gift, if contributed. The School capitalizes additions of property and equipment in excess of \$5,000 that have a useful life or extend the useful life greater than one year. Expenditures for maintenance and repairs are charged to expense when incurred. When an asset is retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any gain or loss is included in the statement of activities.

DUGGER UNION COMMUNITY SCHOOL CORPORATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

PROPERTY AND EQUIPMENT, CONTINUED

Depreciation of property and equipment is computed using the straight-line method and based upon the estimated useful lives of the assets generally as follows:

Building and improvements	40 years
Furniture and equipment	3 to 7 years
Textbooks	4 to 5 years
Vehicles	5 years

RESTRICTED CASH

As part of its charter agreement with Grace College (Note 8), the School is required to hold in an escrow account funds to pay for legal, wind down of operations, and audit expenses that would be associated with dissolution should it occur. Per the agreement, the School was required to place a minimum of \$30,000 into the account by the sixth year of operations. Cash held on behalf of others for an annual math scholarship was \$6,485 and \$7,332 and is included in restricted cash at June 30, 2023 and 2022, respectively.

NET ASSETS

The School maintains the following classifications of net assets:

Without Donor Restrictions

These include revenue and expenses from the regular operations of the School, which are at the discretion of management and the Board of Directors.

Without Donor Restrictions – Board Designated

The School's charter is authorized through Grace College (Note 8 and "Restricted Cash"). Grace College requires that the School establish and maintain an account held in escrow of \$30,000 no later than six years after the School's establishment. The escrow account is designated for any potential dissolution of the School. At June 30, 2023 and 2022, the School held \$30,000 in escrow which has been presented as board designated net assets in the statements of financial position.

With Donor Restrictions

These include contributions and grants with restrictions specified by the donors or grantors. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. See Notes 4 and 5.

DUGGER UNION COMMUNITY SCHOOL CORPORATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

REVENUE RECOGNITION

Revenues primarily come from resources provided under the Indiana Charter Schools Act. Under the Act, the School receives an amount per student in relation to the funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment and is paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized over time in the year in which educational services are rendered.

A portion of the School's revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants as costs are incurred.

CONTRIBUTIONS AND GRANTS

Contributions and grants are recognized when the donor makes an unconditional promise to give to the School and are recorded at their fair values as revenues and assets in the period the promise was received. Contributions with donor restrictions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

ADVERTISING

Advertising expenses totaled \$19,844 and \$14,051 for fiscal years 2023 and 2022, respectively. The School's policy is to recognize advertising expenditures in the period in which they are incurred.

FUNCTIONAL ALLOCATION OF EXPENSES

In the accompanying statements of functional expenses, all expenses are allocated to program, management and general, and fundraising expenses. Expenses were allocated among the functional categories on the basis of specific identification and estimates of time spent and benefits derived.

TAX STATUS

The School is an Indiana not-for-profit corporation, exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a) of the Internal Revenue Code.

NEW ACCOUNTING PRONOUNCEMENT

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Account Standards Codification [ASC] 842, Leases) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standards is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The School adopted the standard effective July 1, 2022. The adoption of the standard did not have an impact on the School's financial statements.

SUBSEQUENT EVENTS

Subsequent events have been evaluated by management through December 5, 2023, which is the date these financial statements were available to be issued.

2. AVAILABLE RESOURCES AND LIQUIDITY

The School regularly monitors liquidity required to meet its operating and other commitments. The School has various sources of liquid assets at its disposal, including cash and receivables.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the School considers all expenditures related to ongoing activities of the school as well as the supporting operations to be general expenditures.

Financial assets available for general expenditure, within one year, consist of the following at June 30:

3. NOTE PAYABLE

The School obtained a loan from the State of Indiana through the Charter and Innovation School Advance Program for \$750,000 in November 2015, which matures in July 2026. The interest rate on the loan is 1% per annum and semi-annual payments of \$37,500 principal plus interest are being deducted from the School's monthly state tuition support payments.

The loan is considered below-market and, to reflect the time value of money, the liability recorded in the statements reflects the future payments discounted at an imputed interest rate of 3.5%, which was the School's long-term borrowing rate at loan inception. The balance on the loan at June 30, 2023 and 2022 was \$262,500 and \$337,500, net of unamortized discounts of \$13,124 and \$21,093, respectively.

6. RETIREMENT PLANS

The School provides retirement benefits covering substantially all full-time employees. Retirement benefits are provided by the Indiana State Teachers' Retirement Fund ("TRF") and the Indiana Public Employees' Retirement Fund ("PERF"), both of which are cost-sharing multiple-employer defined benefit retirement plans governed by the State of Indiana and administered by the Indiana Public Retirement System ("INPRS") Board. Contribution requirements of plan members are determined annually by the INPRS Board. Under the plans, the School contributes 5.5% of compensation for electing teaching faculty to TRF and 11.2% of compensation for other electing employees to PERF in 2023 and 2022. For TRF, the School also contributes a discretionary 1.35% above the state-imposed requirement.

Should the School elect to withdraw from TRF or PERF, the School could be subject to a withdrawal fee. The School's contributions represent an insignificant percentage of the total contributions received by TRF and PERF. As of June 30, 2022 (the latest year reported), both TRF and PERF were 89.6% funded. A copy of the complete annual report for the year ended June 30, 2022 can be obtained at:

https://www.in.gov/inprs/files/INPRSAnnualReportBook_FY22.pdf

Retirement plan expense was \$256,213 and \$212,066 for the years ended June 30, 2023 and 2022, respectively.

8. COMMITMENTS

The School operates under a charter granted by Grace College. As the sponsoring organization, Grace College exercises certain oversight responsibilities. Under this charter, the School has agreed to pay to Grace College an annual administrative fee equal to 3% of state tuition and complexity grant support received. Expense under this charter agreement was \$110,917 and \$113,036 for the years ended June 30, 2023 and 2022, respectively. The charter remains in effect until May 31, 2027 and is renewable thereafter by mutual consent.

9. RISKS AND UNCERTAINTIES

The School provides educational instruction services to persons primarily residing in Dugger, Indiana and greater Sullivan County, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect the School. Additionally, the School is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on the School.

Financial instruments that potentially subject the School to concentrations of credit risk consist principally of receivables from the State of Indiana. In fiscal years 2023 and 2022, 97.1% of the School's revenue came from the Indiana Department of Education. Furthermore, at June 30, 2023 and 2022, substantially all of the grants receivable balance was due from the State of Indiana.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the School under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. INDIRECT COST RATE

The School has elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance except for federal awards granted by the US Department of Education. The US Department of Education requires a de minimis indirect cost rate of 8-percent.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Dugger Union Community School Corporation:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America (Government Auditing Standards), the financial statements of Dugger Union Community School Corporation (the "School"), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated December 5, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as finding 2023-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that is required to be reported under Government Auditing Standards and which is described in the accompanying schedule of findings and questioned costs as findings 2023-001.

School's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the School's response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND
REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Dugger Union Community School Corporation:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Dugger Union Community School Corporation's (the "School") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2023. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States of America (Government Auditing Standards); and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the School's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as finding 2023-001. Our opinion on each major federal program is not modified with respect to this matter.

Government Auditing Standards require the auditor to perform limited procedures on the School's response to the noncompliance finding identified in our audit described in the accompanying schedule of findings and questions costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control

over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be a material weakness. However, as discussed below, we did identify a certain deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2023-001 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards require the auditor to perform limited procedures on the School's response to the internal control over compliance finding identified in our audit described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

B. FINDINGS - FINANCIAL STATEMENT AUDIT

Finding 2023-001

Criteria: According to 2 CFR Subpart F Section 200.510b, the auditee must prepare a Schedule of Expenditures of Federal Awards (SEFA) for the period that includes all amounts spent on federal programs during the reporting period.

Condition: The Schedule of Expenditures of Federal Awards (SEFA) was overstated by \$42,585.

Cause: The School included depreciation expense within amounts reported on the SEFA which is not an allowable cost under Uniform Guidance.

Effect: An audit adjustment was made to reduce the reported amount on the SEFA for the Child Nutrition Cluster (10.553, 10.555) by \$5,988, the Title I, Part A grant (84.010A) by \$378, the Student Support and Academic Enrichment Program - Title IV (84.424) by \$581, Charter Schools Grant (84.282D) by \$95, COVID-19 Elementary and Secondary School Emergency Relief (ESSER II) Fund (84.425D) by \$29,896, and the COVID -19 ARP Elementary and Secondary School Emergency Relief (ARP ESSER) Fund (84.425U) by \$5,647.

Recommendation: We recommend that the School's accountant review and become familiar with Uniform Guidance and CFR 200 requirements to assist with including the accurate expenditure information in the Schedule. In addition, we recommend that the accountant reconcile federal award expenditures to the claims that were filed for the year.

View of responsible officials: See attached corrective action plan.

C. FINDINGS AND QUESTIONED COSTS - MAJOR FEDERAL AWARD PROGRAM AUDIT

See finding 2023-001 in section B.

Summary Schedule of Prior Audit Findings
Year Ended June 30, 2023

Financial Statement Audit

FINDING 2022-001: All account reconciliations and schedules should tie to general ledger balances prior to being provided as support for audit documentation.

Condition: During the audit, the reconciliation provided in support of the cash and accounts receivable balances did not agree to the balance recorded in the general ledger. Additionally, a credit card payable amount was not recorded in the general ledger but was identified as a result of audit procedures.

Recommendation: We recommend that the School perform year-end cutoff procedures, including review of significant balance sheet accounts, subsequent cash disbursements, a tracking of grant award amounts in order to identify and recognize revenue from grants promised prior to year-end.

Current Status: The recommendation was adopted in August 2022. No similar findings were noted in the 2023 audit.

FINDING 2022-002: According to 2 CFR Supart F Section 200.510b, the auditee must prepare a Schedule of Expenditures of Federal Awards (SEFA) for the period that includes all amounts spent on federal programs during the reporting period.

Condition: The Schedule of Expenditures of Federal Awards (SEFA) was materially understated by \$33,592.

Recommendation: We recommend that the School's accountant work with administrative personnel to identify all awards from federal sources and implement a process whereby School administrative personnel review the SEFA prepared by the accountant. In addition, we recommend that the accountant reconcile federal award expenditures to the claims that were filed for the year.

Current Status: The recommendations were adopted in August 2022. No similar findings were noted in the 2023 audit.

Major Federal Award Program Audit

FINDING 2022-003: Identification of federal program: US Department of Education 84.425C, 84.425D and 84.425U Education Stabilization Fund

Condition: A LEA must use ESF funds for minor remodeling, renovation or construction contracts that are over \$2,000 and use laborers and mechanics that must meet Davis-Bacon prevailing wage requirements.

Recommendation: We recommend that the School provide timely communication related to the prevailing wage rate requirements for contracts with future contractors and subcontractors. The School should also ensure that the proper prevailing wage rate clauses are included in future contracts. We further recommend that the School ensure the contractors and subcontractors compliance with the required federal compliance requirements.

Current Status: The finding does not warrant further action. The school requested and was granted a revision of the budget of the affected grant. Once the approval was received, the costs related to vendor in question were reclassified to Operations and new costs were assigned to the grant. The school now makes this inquiry up front to be sure that all costs assigned to the grants are allowable.
