INDEPENDENT ACCOUNTANT'S REPORT

To the Indiana State Board of Accounts and
Management of Attica Consolidated School Corporation

We have examined Attica Consolidated School Corporation's ("School Corporation") compliance with the Indiana State Board of Accounts' *Accounting and Uniform Compliance Guidelines Manual For Indiana Public School Corporations* during the period of July 1, 2022 through June 30, 2024. Management of the School Corporation is responsible for the School Corporation's compliance with the specified requirements. Our responsibility is to express an opinion on the School Corporation's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the School Corporation complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the School Corporation complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our qualified opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the School Corporation's compliance with specified requirements.

Our examination disclosed material noncompliance with the *Accounting and Uniform Compliance Guidelines Manual For Indiana Public School Corporations* applicable to the School Corporation during the period of July 1, 2022 through June 30, 2024, as described in items 2024-001, 2024-002, and 2024-003 on the following Schedule of Examination Findings and Results.

In our opinion, except for the material noncompliance described in the preceding paragraph, the School Corporation complied, in all material respects, with the aforementioned requirements during the period of July 1, 2022 through June 30, 2024.
